

COLBOURNE COLLEGE ORIENTATION 2017

We Are Delighted To Welcome You To Fall 2017

The Colbourne Students are being prepared for progression directly onto the final year of the BA (HONS) and MBA Degrees at University of Northampton – a public university in the United Kingdom.

The Level 5 Diplomas are British foundation degrees, and level 7 are post-graduate degrees. BTEC curricula require that you demonstrate understanding of theoretical concepts, but also can apply these conceptual models to real cases and situations. This means that you must know (retain knowledge), as well as be able 'to do' (apply learning). Thus, Colbourne's new emplacement program will help you to expand your learning and competencies outside of the classroom to meet workplace needs. So, not only will you succeed in this program, but beyond into your chosen careers.

We are excited that you have selected to be on this wonderful learning journey with us. Our goal is to admit you, keep you, develop your full potentials, and transfer you onto University abroad to learn, experience a new culture, gain work experience, and return home with your degree and more marketable and employable.

MEETING AGENDA 10:00 AM – 2:00 PM

10:00 – 10:30 AM
BREAKFAST
