Unit 14: Advanced Management Accounting

Unit code: Y/508/0537

QCF level: 5

Credit value: 15

AIM

The overall aim of this unit is to develop students' understanding of management accounting. The focus of this unit is on critiquing management accounting techniques and using management accounting to evaluate company performance. Students will explore how the decisions taken through the use of management accounting techniques influence managerial behaviour across an organisation. On successful completion of this unit students will be in a position to support an organisation to create value through effective decision-making where management accounting is used, to some degree, to control members of an organisation. In addition, students will have the fundamental knowledge and skills to progress on to a higher level of study.

LEARNING OUTCOMES

By the end of this unit students will be able to:

1. Analyse the purpose for developing and presenting financial information.
2. Evaluate the use of management accounting techniques to support organisational performance.
3. Analyse actual and standard costs to control and correct variances.
4. Evaluate how a changing business environment impacts on management accounting.

ASSIGNMENT INSTRUCTIONS AND RESOURCES

TERM PAPER REQUIREMENTS

Assignments are mainly research papers. This means that to carry out the given tasks in the assignment will require extensive search for information in valid materials, critical review of the literature found, and citing all sources in the research report. Information should be drawn from sources e.g. textbooks, eBooks, journal articles, companies' websites, newspapers and professional subject-specific articles and websites.

ORGANISATION AND SUBMISSION

The main sections of the research essay are:

Section One | Introduction

Introduce your theses statement and very briefly define the key terms in your assignment.

Section Two | Research Findings

Provide a numbered list of the main sources that you are citing from with a brief argument from each that directly answer the task that you are undertaking. You will discuss these findings here but in paragraph 3 when you are presenting your argument. The minimum number of sources to be cited are stated in your assignment instructions - be sure to meet that requirement.

Section Three | Discussion Of The Research Findings

Here you will carry out the command in the assignments. That is, use your research findings in paragraph two to now explain, discuss, analyze, compare etc. as the task states. Ensure you know what the command verb wants you to do before you begin writing up the research report. See the direct link to the definitions of the [Command Verbs](#) used in the assignments.

Section Four | Conclusion

Your conclusion is a summary of the key points in your assignment, e.g. the presentation of the outcome or results.
